GATES is a member of 2020 Georgia

GATES is a member of 2020 Georgia - a new and growing alliance of more than 60 organizations. The common goal of the organization is to promote a balanced approach to Georgia's fiscal crisis that meets the short and long-term needs of our state and its people. We would encourage all GATES members to learn more about 2020 Georgia and join the alliance. For more information on 2020 Georgia, including its [principles](#), please visit: www.2020georgia.org.

2020 Georgia recently presented a [letter](#) to the Tax Council's Fact Finding Session on 10/21. The legislature created the 2010 Special Council on Tax Reform and Fairness for Georgians to study the tax system and provide recommendations to the General Assembly in January. By giving this process careful consideration, state leaders have the opportunity to design a tax system that will help Georgia meet its current challenges and ensure prosperity for future generations.

Please visit the Tax Council's website and [submit a comment](#). We would suggest a message similar to: "I support the [principles](#) and [letter 2020 Georgia provided to you](#) and hope you consider taking a balanced approach that includes revenues."

Thank you for your participation. Please let me know if you have any questions.
