CONCURRENT LEARNING OPPORTUNITIES

TRACK ONE
CEO – Senior Leadership
THURSDAY, June 7
The High Cost of Not Learning
John Barley of PowerPoint will lead a discussion on the importance of learning. Not learning goes far beyond being a bad habit; it's an economic issue. A study finds that skilled workers are earning twice as much as their unskilled counterparts. Is your company ready to learn?

- Do you understand the need to learn?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?

TRACK TWO
Seasoned for Learning: Sessions from ARMIS
THURSDAY, June 7
Balancing an Employee-Designed Curriculum for Soft Skills
A real-world session to review and build a soft skills curriculum based on employer intolerance of soft skills needed for employment retention. ARMIS can provide a better product to better the job demand for a broad base of users. In this session, you will have the opportunity to test modules, receive feedback, and improve your feedback. Then you will have the opportunity to download the product, provide a summary of your experience, and receive mal feedback. You will receive a summary of your experience, and receive feedback from other users.

- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?

TRACK THREE
STATE USE Program Opportunities
THURSDAY, June 7
State Use 101:
This session will be an introductory session on getting started in the State Use Program. Sharon Pulley, Georgia State Use Program Director will provide an overview and answer your questions concerning the State Use Program and the employment opportunities for GIST participating.

- Are you prepared to implement change?

- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?

FRIDAY, June 8

- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?
- Are you prepared to implement change?

Solving the Learn Puzzle to Create Growth
John Barley will focus on the importance of developing a new mindset to unlock every team member’s highest contribution based on individual goals. During this workshop, participants will learn how...
- To foster and implement solutions to learning barriers.
- To increase the level of employee engagement.
- To improve the level of employee engagement.
- To improve the level of employee engagement.
- To improve the level of employee engagement.
- To improve the level of employee engagement.
